DRAFT-Workshop Schedule for Drum and Splash 2003

Down in the woods, along the River at the North Crook, you will find a special Drum Circle. Smaller. Quieter. Magical. Down Tempo. Join us there to hear the intimate sounds and the space in between them.

Please support your teachers by attending their advanced fee paid workshops.
At the conclusion of Saturday evening's Moon Service, please gather in the green sward in front of the stage with your drums and noise makers. You will be glad you did.
Afternoon Drum Circle workshops may be moved to the day stage and its shade.
Please remember that Drum Circle is Sacred Space. Please no tobacco or alcohol within the confines of the sanded circle. Help keep the Circle Sacred!
